

NEW WEBSITE LAUNCH ANNOUNCEMENT:
www.roamwireless.ca

March 1, 2016

We are very excited to announce the launch of our newly designed website, **www.roamwireless.ca**

The site's homepage features bright colours and a new design logo. We wanted to make the new website faster, easier to navigate, and more user-friendly.

As a payment service provider, it's important for us to make information regarding Merchant Services, Payment Solutions, and trends easily accessible for our current and prospective clients.

We aim to provide our clients with the most accurate, up-to-date information and share our knowledge and expertise. Our new site features all our Products and Services and Testimonials from our clients on what they have to say about us.

We will also be including a Resource Centre, where Merchants can seek information regarding current matters in the news and how it would may or may not affect their business in the field of processing Payments.

Among the changes you would notice our New ROAM Wireless Logo. We have made some changes in our logo to reflect our new path to bring updated, and new payment services, but still keep its roots to ensure our clients that we are still the same Management Team, working tirelessly for our Clients.

Our core values remain the same: providing Simple, Secure & Reliable Payment Services and to be ***Your Trusted Payment Partner.***

We have added a Merchant Login Tab on the Top-right corner of the website, where you can access your ROAM Online Reporting System, anywhere, anytime.

We hope you will enjoy the new products and services we continue to offer and take advantage of our newly designed website. Feel free to stop by from time-to-time for new updates and information that can benefit your business.

Thank you and have a great time processing at ROAM Wireless.

Ali Moosa

Director of Operations
